RE: ML 46040 BSLS
S/049/011 Utah County

Gentlemen:

It is reported that you are storing equipment upon lands contained within the above numbered mineral lease. Your lease only allows you to use the surface in conjunction with actual mining of the state lands. Any other use of the surface is a violation of the terms and conditions of your mineral lease and requires a Special Use Lease Agreement (SULA).

Please immediately cease any unauthorized use you may be making of the surface of lands contained within ML 46040. If you desire to apply for a SULA you may contact Mr. Rick Wilcox, 538-5514, of this office.

Thank you for your cooperation.

Sincerely,

JOHN T. BLAKE
